BRAND

*Lemon-Scented*

# Multi-Scrub

**Industrial Strength  
Non-Butyl Cleaner/Degreaser**

## Proven To Get Rid Of

**Greasy, Grimy Soils** - Powers off dirt, oil, grease, grime & soot from concrete, asphalt, vinyl flooring, shop floors, walls, machinery, equipment, tools, rubber and plastic.

**Carbon Black & Ground-In Rubber** - Feedback from the field: Manufacturers love how Multi-Scrub dissolves petroleum and rubber based soils. Softens up ground-in rubber and tire skid marks on floors...especially when used in floor scrubbers. Also great for removing stubborn carbon black from machinery, walls and other surfaces.

**Printer's Ink** - Removes printer's ink from unwaxed pressroom floors and concrete warehouse floors. Multi-Scrub works great when mixed with water in a bucket and applied with a mop.

...Even on large scale surfaces neglected for long periods of time!

## How To Apply Multi-Scrub

Customize solution using Dilution Guide on the back of this page.

Apply with:

- Floor Scrubbers/Automatic Scrubbers
- Pressure Washers
- Steam Cleaning Equipment
- Spray Bottle
- Mop & Bucket

Ideal For  
Steam  
Cleaners &  
Automatic  
Scrubbers

**Made With The Environment In Mind**  
Non-butyl, non-flammable, non-fuming formula contains no chlorinated or petroleum solvents, phosphates or acids.

**BRAND**

Lemon-Scented  
**MULTI-SCRUB**

**Technical Information**

**PRODUCT SPECIFICATIONS**

Chemical Description.....an aqueous-based, alkaline-built detergent concentrate	% Total Solids.....15.2
Physical Characteristic.....liquid	Solubility in Water..... complete
Appearance..... clear, water white	pH (undiluted).....~13.3
Fragrance..... lemon	pH (diluted 4 oz. per gal. of water)..... ~12.4
	Solvents.....none

*Biodegradability information available from the manufacturer upon request.*

**DIRECTIONS**

**READ ENTIRE LABEL AND MATERIAL SAFETY DATA SHEET (MSDS) BEFORE USING THIS PRODUCT!**

*Some surfaces are inherently sensitive to alkaline cleaners. Spot test on ALL surfaces at recommended dilution before use. Use with adequate ventilation. Do not inhale mist. The use of full-face shield, rubber gloves and synthetic apron is necessary when using this product in its concentrated state.*

**FOR NORMAL CLEANING/DEGREASING**

Light Soils	Dilute 1 oz./Gal. of water (1:128)
Moderate Soils	Dilute 2 oz./Gal. of water (1:64)
Heavy Soils	Dilute 4 oz./Gal. of water (1:32)
Extra Heavy Soils	May require a stronger solution, dilute as needed

1. Dilute **MULTI-SCRUB** using dilution guide above.
2. Apply with auto scrubber, mop, pressure washer, applicator bottle, sponge or brush.
3. Agitate soil.
4. Rinse surface thoroughly.

**FOR STEAM CLEANING**

Light Soils	Dilute 3 oz./Gal. of water (1:42)
Moderate Soils	Dilute 12 oz./Gal. of water (1:10)
Heavy Soils	May require a stronger solution, dilute as needed

1. Dilute **MULTI-SCRUB** using dilution guide above.
2. Apply to surface following steam cleaner manufacturer's instructions.
3. Rinse surface thoroughly.

*Authorized by USDA for use in federally inspected meat and poultry plants.*

**AVAILABLE SIZES**

stock#	size	package	gross weight
14401	1 gal.	4/case	39 lbs.
14405	5 gal.	pail	48 lbs.
14455	55 gal.	drum	532 lbs.
