

From the makers of

Turn any hose into a cleaning machine!

Package

The easy way to wash windows for a streak-free shine “within your reach”. Convenient nozzle attachment produces a cleaning stream to slam away dirt, grime & smudges up to 25 feet high! Whether you’re a home owner or a contractor, you can clean up to 1,500 square feet of window. The biodegradable formula will not harm most foliage. Also ideal for cleaning outdoor glass, awnings, shutters, metal and more!

Punch

Highly concentrated formula features a very powerful cleaning action and rapid drying with “sheeting actions” leaving surfaces sparkling clean.

Profit

The trusted Spray Nine Brand quality coupled with an attractive user-friendly package is sure to guarantee quick sales.
